FOR IMMEDIATE RELEASE

INDEFINITE POSTPONEMENT OF THE EAST AFRICA REGIONAL PICKLEBALL TOURNAMENT

ACCRA, GHANA - 31 OCT 2025 - The Confederation of African Pickleball refers to the formal invitation for the East Africa Regional Pickleball Tournament, scheduled to take place in Dar es Salaam, Tanzania, from November 5-9, 2025.

Following a comprehensive assessment of the prevailing and rapidly evolving external circumstances in the region, which include significant public safety and logistical concerns, the CAP Management has made the difficult but necessary decision to indefinitely postpone the tournament.

This decision is driven solely by our fundamental commitment to the safety and security of all participating athletes, coaches, technical officials, and delegation members. The CAP Management will immediately establish a dedicated working group to monitor the situation. Once fully satisfied that all operational prerequisites can be consistently met, communication on the rescheduled plan will be made.

We understand the inconvenience this change causes and express our deep regret for the disruption. We extend our deepest hopes for peace, security, and stability to the people of Tanzania during this time, and look forward to the return of favorable conditions.

Sincerely,

Capt. Collins Munene

Secretary General, Confederation of African Pickleball
